## This Is Albany

THE AMERICAN Field Service Committee of Albany was very happy over the tremendous response to its invitation to a benefit Sunday morning breakfast at the Cornell School last Sunday morning from 9 to 12. Said chairman of the committee Roy Harford, "We expected a maximum of 200 for breakfast, and we actually served 350. We want to thank everyone who helped. Toward the last of the morning it kept us scurrying around trying to dig up more food, but we did serve everybody. Profits from the breakfast go to the fund for foreign exchange students, and the students who helped us at the breakfast did a good job of explaining to visitors just how the AFS helps in the exchange of students with foreign lands."

JACK SNAVELY, manager of the Albany Branch of the Mechanics Bank, will address members of the Albany High 12 Club this Friday noon on the subject "What Do the Banks Do With Your Money." The meeting will be at the Red Barn Restaurant with George Hollfelder as chairman of the day.

ANN BARTONE of the Bartone Fur Shop on Solano Avenue is now in New York on a buying trip and says she hopes to be back in Albany by April 1 with all the latest styles in furs from the big city.

THE "MELODY OF Spring" has been selected as the theme for the Albany Unit No. 292 American Legion Auxiliary Dessert Fashion Show to be held March 24 at the Veterans Memorial Building, Portland and Ramona Avenues. The show will start at 8 p.m. Spring and early Summer styles will be from Mary and Jo's Department Store.

ALBANY CIRCLE No. 120, Druids, will hold a rummage sale on Mar. 31 at 1722 San Pablo Avenue, Berkeley. Arch Druidess Helen Traxler will act as general chairman. Calls for pickups may be made to E.E. 3-1861. Rummage will be accepted at the rummage room Monday mornings, or at the home of Mrs. Traxler, 173 22nd Street, Richmond.

THE ALBANY JAYCEES are now holding their third annual "Miss Albany" contest. The purpose of the contest is to find the typical young lady characteristic of Albany. This contest is affiliated with the "Miss America" pageant in Atlantic City, and the winner of the Miss Albany contest will have the opportunity to go on to Santa Cruz for the Miss California contest and then, if she wins, to Atlantic City for the national competition. There will also be many prizes for the contestants. Contestants must be single and between the ages of 18 and 28. For further information call Pete Trapanese, 1020 Masonic Avenue, LAndscape 4-1065.

A PROGRAM featuring spring sports will be presented at the next meeting of the Albany High School Dads Club, on Tuesday, March 25, at 7:30 in the high school cafeteria. Albany High School Athletic coaches will be in attendance with as many members of their teams and other interested students as care to attend. George Powles, baseball coach at McClymonds High School of Oakland, as well as two national championship American Legion baseball teams will be a guest. Albany High School Dads Club President Hal Wood will preside. Refreshments will be served by Fred Woodward, cafeteria chairman.

## Sportsmen's Show Opens in Oakland Friday, Mar. 21

Your modern outdoor man goes for color, and while his wife may be sporting just a "hint of tint" with her fashionable new spring nylon, he's insisting on bold reds, greens and yellows for hunting coats and caps, while wearing a combination of these same colors in his plaid wool shirts.

Not to be outdone by the clothing manufacturers, makers of sports and boating equipment are also turning to color to help sell their merchandise, and the result of this trend will be on display at the Bay Area Sportsmen's Show during its ten day run in the Oakland Exposition Building March 21 - 30.

Hours will be 6:30 to 10:30 weekdays; 1 to 10 p.m. Saturdays and Sundays.

Children under 12 will be admitted free.

Convenient to the East Shore Freeway and public transportation the Exposition Building offers plenty of free off street parking.

## Concert Pianist Presents Concert

Katherine Marshall, concert pianist, will present a piano concert on Saturday, March 22, at 8:15 p.m. at the Berkeley Little Theatre, Allison Way & Grove Streets, Berkeley. She is a resident of El Cerrito, where she is known as Mrs. Bruce Lawler and lives with her husband and three sons.

## TRAFFIC HAZARDS ON ADAMS STUDIED

Acute traffic hazards on the upper end of Adams Street were reported to the council at its regular meeting Monday night. These complaints came out during the public hearing on rezoning certain lots in that area to provide for expansion of the bowling alley, and the addition of parking lot space.

The complaints pointed out that Adams is a dead-end street beyond Clay to the north; that Adams, being a north-bound one-way street brings many cars across Adams-Clay intersection into the dead-end area where there is insufficient room to turn around without entering driveways or crossing private lawns; also that many cars park in this dead-end area at all hours of the night. The residents who delivered the complaints also declared there was insufficient police protection in the area considering the volume of traffic.

Various suggestions were offered, among them that some method be devised to route the one-way traffic into San Pablo by one or more additional streets in addition to Clay, which now carries the bulk of travel; provide a "turn-around" beyond the north end of Adams to protect private property; arrange for speedy removal of flood waters in the area during heavy rains.

The mayor explained that City Engineer McAuley is now endeavoring to secure property on which to construct a paved turn-around; that some progress has been made, and he hopes the present difficulties may soon be overcome. The city engineer also is planning measures to overcome the drainage problem. The council also approved having the Traffic and Safety Commission make a further study of the Adams Street traffic congestion, including the possibility of rezoning the north side of Clay Street between Adams and San Pablo and also taking steps to clear the San Pablo-Clay Street intersection of parked cars for better visibility.

Owner Frank Lacy also spoke during the hearing and outlined his plans for the further expansion of the Albany Bowl. He said his plans call for installation of ten additional alleys facing on the north side of Clay, but leaving room for an ample driveway from the present parking lot north and west of the plant, and providing good visibility for drivers leaving the parking lot and entering Clay Street.

Lacy also said he was adding approximately half again as much parking lot space as the space on which he will erect the addition to his plant. He said he had provided to some extent against encroachment of parked cars on the dead end of Adams by erecting a steel barrier along the west line of his property.

The residents who offered complaints were united in saying they had no protests to offer against the bowling plant and, in fact, some said they were more or less regular patrons. They said they felt Mr. Lacy had conducted a high class plant and they felt it was an addition to the city. They welcomed, they said, his assertion that he planned on adding a permanent patrolman to the parking areas during

The rezoning of the property, as requested by Lacy, was approved unanimously.

In other action the council discussed street lighting for Marin Avenue and San Pablo Avenue. The first was ordered referred to the budget committee on recommendation of Engineer McAuley, who said the costs would be prohibitive at the present time. On the San Pablo plan the council ordered it referred to the Albany Chamber of Commerce with the suggestion a study should be made of costs and possible formation of an assessment district.

In view of the fine safety record of city employees which brought

a dividend of \$5,485.38 on a premium of \$8,847.39, or 62% from the State Compensation Insurance Fund, Councilman Blank recommended a letter of commendation be sent to all city employees. It was so ordered.

A meeting at 7 o'clock next Monday night with the Albany School Board to discuss the San Gabriel-Spokane traffic problem which affects pedestrian traffic to and from Cougar Field, was approved.

A proposal from Councilwoman Kathie Zahn that she be given 'carte blanche' backing of the council in an attempt to gain better Albany-San Francisco bus service from the Key System failed of any action after some discussion.

#### A MESSAGE TO OUR CUSTOMERS

Meat prices, as every housewife knows, have been steadily rising until they are now higher than they have been any time since W.W.II. This is as true of wholesale prices as it is of the retail prices in the markets.

BECAUSE OF THE HIGH PRICE OF FIRST QUALITY BEEF, WE HAVE BEEN FORCED TO A DECISION: We can do only one of two things:

1. We COULD buy a lower quality meat and maintain our present prices on our hamburgers.

OR

2. We can maintain our present high quality of lean ground beef, but ONLY if we raise the price of our hamburgers.

We know you, our customers, will not accept inferior hamburgers. We WILL NOT juggle quality to maintain our prices.

THEREFORE, it is with regret that we announce that we are discontinuing the sale of 19c hamburgers.

As of March 31, 1958, the price of all our hamburgers will increase 5c.

WE PROMISE YOU First Quality, Top Grade, Pure Lean Ground Beef (and ONLY Pure Beef) in all our hamburgers.

WE ARE SURE you would prefer to pay a little more and to know for certain that you're getting the Best.

## CHRISTIAN SCIENCE

How spiritual perception of God's power brings freedom from bondage to materialism will be a topic dealt with at Christian Science services Sunday at 533 San Pablo Avenue in Albany.

Keynoting the Lesson-Sermon on "Matter" is the Golden Text from I John (2:16): "All that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (277:29): "Nothing we can say or believe regarding matter is

immortal, for matter is temporal and is therefore a mortal phenomenon, a human concept, sometimes beautiful, always erroneous."

Selections from the Bible will include the following (Isaiah 40:8): "The grass withereth, the flower fadeth: but the word of our God shall stand for ever."

## COMMUNITY METHODIST
